

Elisabeth Finch, FEA

Partner, PwC LLP

Vancouver BC

Elisabeth is a passionate and creative leader who relishes opportunities to bring alternative perspectives to her clients. Elisabeth leads PwC's Family Enterprise Services practice in BC.

Founded on her education and first career in the fields of metals and materials, Elisabeth has advised businesses on cross-border taxation for 23 years with PwC. Her experience in the international metals and materials industry before joining PwC means that she brings a very practical and pragmatic approach to her advice, and her leadership is founded on empathy and inclusion. She now brings together her deep experience and FEA training to advise family enterprises as they navigate the challenges of continuity of business and wealth between generations.

Elisabeth provides leadership in Diversity and Inclusion for PwC in BC and serves on the Board of the Vancouver Symphony Orchestra School of Music. She aims to be a role model in taking care of her mental and physical health, by singing with the internationally renowned Elektra Women's Choir, running and cycling.
